I. POLICY
Exceptional Funding Policy for Norman Topping Scholars

General Eligibility Criteria:
• All Exceptional Funding applicants must be in good standing with the Fund.1
• Exceptional Funding opportunities are available from September thru April or until the annual Exceptional Funding budget is maximized, whichever comes first.
• Scholars must be at USC at least one semester, complete 16 units, and have a GPA over 2.5 to apply for Exceptional Funding grants.
• Topping Scholars on scholarship probation are not eligible for Exceptional Funding.2 Scholarship probation occurs when a Scholar’s cumulative grade point average drops below a 2.53 or 3.04 depending on the status of the student, or when the student fails to complete an average of 32 units per academic year (fall/spring).
• Failure to complete one (1) of the NTSAF program requirements during the academic year will render a Scholar ineligible for Exceptional Funding for that academic year (see Topping Scholar Contract).
• A Topping Scholar is no longer eligible for Exceptional Funding once her/his degree has officially posted, or s/he has met their applicable Exceptional Funding term maximum (whichever comes first). The Exceptional Funding term maximum is based on the status of the Scholar upon entering USC:

1 Good standing includes, but is not limited to, cumulative GPA minimum requirement, academic year unit completion minimum and full attendance at all NTSAF program requirements and shall be determined by the NTSAF Executive Committee.

**ALLOWABLE EXPENSES:**

- **Travel** between the Scholar’s home and the site of the conference/meeting, according to the guidelines described in the application instructions, up to $100. Transportation at (or during) the conference is the applicant’s responsibility and is not reimbursable;
- **Registration** fees up to $300.00;

**Expense Caps on Conference Travel:** $2000 for domestic travel; $2500 for International Travel.

**Important Note:** All original receipts must be received by the NTSAF office within two (2) weeks of the official final conference day or the Scholar accepts responsibility of reimbursable expenses.
Reimbursements will NOT be processed without an original receipt. Reflection statements are due within 4 weeks of travel.

**SELECTION CRITERIA:**
Applicants are evaluated on the following criteria:

- Validity of recommendation letter

Priority will be given in the following order:
1. Applicants who are presenting at the conference
2. Applicants attending an academic conference/meeting
3. Proximity to completion of degree
4. Scholars who have not utilized Conference Travel

**ONLINE APPLICATION INSTRUCTIONS:**
1) Section I: Expenses:

A) **LONG DISTANCE TRAVEL** is travel from home to the location of the conference/meeting, and back (airfare maximum $1,500.00 Int’l; $1,000 Domestic). NTSAF will only fund a single means of long-distance travel unless it is shown that:
   - Combining another means of travel is less expensive than completing the trip by the single means
   - The conference city can only be reached by a combined means of travel
   OR

Conference Travel grant does NOT reimburse for rental cars, fuel, or mileage.

B) **LOCAL TRAVEL** is travel from a transportation center (e.g. airport, train station, bus station) in the area of the conference to the actual conference site and back (up to $100.00 max). The NTSAF does not fund transportation during the conference.
   *For example, a Scholar may request to be funded for the cost of a shuttle bus from the airport to the University where their conference is held and back. A Scholar would not be reimbursed for the cost of buses taken downtown for evening entertainment during the conference, or for transportation between a hotel and the conference site: these constitute transportation during the conference. Neither would a Scholar be funded for a rental car from O’Hare Airport to Northwestern University, since they are in the same metropolitan area.*

C) **REGISTRATION**: Original receipt from conference registration is required ($300.00 maximum).

D) **FOOD**: Meal expenses will be reimbursed according to the following schedule: 1 day at conference: $25.00 max; 2 days: $50.00 max; 3 days: $75.00 max; 4 days: $100.00 max (4 day maximum). Note: the Scholar may spend this allotment at any rate. Original receipts are required
For example, a Scholar who attended a 3-day conference may request food reimbursement for up to $75 dollars. The Scholar may spend this allotment at the rate of $25.00/day, or splurge for one $75.00 meal, at her/his own discretion. (Not applicable for ASB, LINC, GLP, Maymesters and other short-term USC programs.)

**E) LODGING:** Each Scholar may request up to $125.00/night for a four (4) night maximum. If the Scholar shares a room, s/he may only request the amount of the room rate divided by the number of occupants in the room. A room charge slip indicating the room rate, tax, occupancy, and extra charges must be included. The Travel Grant does not cover telephone calls, parking charges or any other incidentals.

(If you received or anticipate other funding for this travel, complete the “other funding” line on the application.)

2) **Section III: Statement of Purpose**
Include a typed, 1-2 page explanation of why attending this academic/service oriented/leadership conference/meeting is important to you and how it can support one or more of the following:
- Your academic growth
- Your professional goals
- Your commitment to service in the USC community
- Your leadership development both on and off campus

3) **Section IV: Documentation**
If you obtained funding from a non-departmental source, include copies of all communication and financial documents relevant to the transaction. Submitting this information will strengthen the outcome of your application.

4) **Section V: Reflection**
Upon completion of conference travel you are required to submit a 1-2 page reflection. The reflection statement should assess your academic, personal, and/or professional growth from attending the conference and/or meeting. This reflection statement is due to the NTSAF Associate Director within for (4) weeks of travel.
