I. POLICY

Exceptional Funding Policy for Norman Topping Scholars/Fellows

General Eligibility Criteria:

• All Exceptional Funding applicants must be in good standing with the Fund.¹
• Exceptional Funding opportunities are available from September thru April or until the annual Exceptional Funding budget is maximized, whichever comes first.
• Scholars/Fellows must be at USC at least one semester, complete 16 units in the previous term*, and have a GPA over 2.5 to apply for Exceptional Funding grants. (*Fellows may have different units for fulltime enrollment.)
• Scholars/Fellows on scholarship probation are not eligible for Exceptional Funding.**
  (**Scholarship probation occurs when a student’s cumulative grade point average drops below a 2.5² or 3.0³ depending on the status of the student, or when the student fails to complete the minimum of 24 units in an academic year.)
• Failure to complete one (1) of the NTSAF program requirements during the academic year will render the student ineligible for Exceptional Funding for that academic year (see Topping Scholar/Fellow Contract).
• A Scholar/Fellow is no longer eligible for Exceptional Funding once their degree has officially posted, or they have met their applicable Exceptional Funding term maximum (whichever comes first). The Exceptional Funding term maximum is based on the status of the student upon entering USC:

  **Exceptional Funding Maximum**
  (based on class standing upon entrance to USC)
  Freshman: Seven (7) semesters (after the first semester)
  Transfer: 30-47 transferable units—Six (6) semesters (after the first semester)
  48-64 transferable units—Five (5) semesters (after the first semester)
  Graduate: Five (5) semesters

Application/Request Procedures:

• Submit completed application or request form via the online database to the NTSAF Staff by the applicable deadline.
• Applicants will be notified of the funding decision via USC e-mail account.
• If approved, the Scholar/Fellow is responsible for contacting the NTSAF office for an appointment to discuss all necessary payments for funding.
• Approval and payment is pending the completion of all scholarship program and academic requirements as stated in the NTSAF Scholar/Fellow Contract.
• If approved, all payments for services will be made at the NTSAF office with a NTSAF staff member. Students may NOT make any changes to services and/or payment information without the consent of the NTSAF Staff. If a student does not use the services purchased, they may owe the money back to the Fund.

¹ Good standing includes, but is not limited to, cumulative GPA minimum requirement, academic year unit completion minimum and full attendance at all NTSAF program requirements and shall be determined by the NTSAF Executive Committee.
² 2.5 GPA minimum applies to Topping Scholars who are undergraduates.
³ 3.0 GPA minimum applies to Topping Fellows who are graduate students.

Norman Topping Student Aid Fund
Travel Awards

PURPOSE:
• The purpose of the Academic Travel opportunity is to compensate the expenses incurred by Topping students to promote national and international travel to academic programs, service learning opportunities, leadership conferences, academic conferences, and short-term programs (i.e. ASB, GLP, LINC, Maymesters, etc.). Undergraduate scholars are eligible for 2 (two) academic travel opportunities while graduate fellows are eligible for 1 (one) travel grant. Fellows may be eligible for a second travel grant during their tenure, depending on the costs associated with the second career-related opportunity. Study abroad airfare will only be purchased for an approved USC-sponsored program. Please note that international conferences are only considered if the student will be a presenter at the conference. International programs sponsored by a USC office or department are exempt from this requirement.

WHEN TO APPLY:
• Applications are accepted the first Friday of every month: September through April. Completed applications must be submitted online by 5pm (this includes letters of support):

<td>April 2, 2021</td>
</tr>
</tbody>
</table>

* January 15th is the first Friday after Winter Recess.
**March 5 is the deadline for applications for Summer Tuition Grants.

NOTE: All Travel Applications must be submitted by the deadline that is at least six (6) weeks prior to travel. (For example, if the travel begins December 5, the application MUST be submitted by the October deadline.)

ALLOWABLE EXPENSES:
• Travel between the Scholar’s home and the site of the conference/meeting, (one mode of transportation only) up to $100. Transportation at (or during) the conference is the applicant’s responsibility and is not reimbursable;
• Registration fees up to $300.00;
• Food costs reimbursable up to $25.00/day for a maximum of 4 days (Not applicable for ASB, LINC, GLP, Maymesters and other short-term USC programs where some meals are included in program fees);
• Lodging up to $125.00/night for a maximum of 4 nights;
• Airfare up to $1,500.00 for international travel (not to exceed $1000 for domestic flights).

Expense Caps on Conference Travel: $2000 for domestic travel; $2500 for International Travel.

Important Note: All original receipts must be received by the NTSAF office within two (2) weeks of the official final conference day or the Scholar accepts responsibility of reimbursable expenses. Reimbursements will NOT be processed without an original receipt. Reflection statements are due within 4 weeks of travel.
**SELECTION CRITERIA:**
Applicants are evaluated on the following criteria:
- Complete application (by applicable deadline)
- Comprehensive documentation
- Degree to which they meet the purpose of funding
- Validity of recommendation letter

Priority will be given in the following order:
1. Applicants who are presenting at the conference
2. Applicants attending an academic conference/meeting
3. Proximity to completion of degree
4. Scholars who have not utilized Conference Travel

**ONLINE APPLICATION INSTRUCTIONS:**
1) Please estimate the cost of the travel based on the program information you have or your own research:

A) **LONG DISTANCE TRAVEL** is travel from home city to the location of the conference/meeting, and back (airfare maximum $1,500.00 Int’l; $1,000 Domestic). NTSAF will only fund a single means of long-distance travel. Conference Travel grants do NOT reimburse for rental cars, fuel, or mileage, unless that is the sole means of travel to the conference.

B) **LOCAL TRAVEL** is travel from a transportation center (e.g. airport, train station, bus station) in the area of the conference to the actual conference site and back (up to $100.00 max). The NTSAF does not fund transportation during the conference.

For example, you may be funded for the cost of a shuttle bus from the airport to the University or Hotel where their conference is held and back, but would not be reimbursed for the cost of buses taken downtown for evening entertainment during the conference, or for transportation between a hotel and the conference site; these constitute transportation during the conference.

C) **REGISTRATION**: Original receipt from conference registration is required ($300.00 maximum).

D) **FOOD**: Meal expenses will be reimbursed according to the following schedule: 1 day at conference: $25.00 max; 2 days: $50.00 max; 3 days: $75.00 max; 4 days: $100.00 max (4 day maximum). Note: the Scholar may spend this allotment at any rate. Original receipts are required for reimbursement. (Not applicable for ASB, LINC, GLP, Maymesters and other short-term USC programs, where many meals are included in program fees.)

E) **LODGING**: Each Scholar may request up to $125.00/night for a four (4) night maximum. If the student shares a room, they may only request the amount of the room rate divided by the number of occupants in the room. A room charge slip indicating the room rate, tax, occupancy, and extra charges must be included. The Travel Grant does not cover telephone calls, parking charges or any other incidentals.

(If you received or anticipate other funding for this travel, complete the “Other Funding” line on the application.)

Updated 7/29/20
2) Statement of Purpose:
Include a detailed explanation of why attending this academic conference, service learning trip, short-term study abroad course, or study abroad semester is important to you and how it can support one or more of the following:
• Your academic growth
• Your professional goals
• Your commitment to service in the USC community
• Your leadership development both on and off campus
NOTE: Travel grant applications are reviewed by the Governing Board. Please be detailed in what the program or conference is, what you expect to learn, why you want this opportunity, and why Topping should cover the costs (the benefit to your educational goals).

3) Recommendation:
The Board is looking for a letter that **endorses the academic merits of the program**. You have already been vetted by Topping. The letter should support the value of the conference or program you want to attend.

4) Reflection:
Upon completion of your travel, you are required to submit a 1-2 page reflection. The reflection statement should assess your academic, personal, and/or professional growth from attending the conference and/or off-campus program. This reflection statement is due to the NTSAF Staff within for (4) weeks of travel.

Norman Topping Student Aid Fund
Summer Tuition
Deadline: March 5, 2021 by 5pm

PURPOSE:
• The purpose of the Summer Tuition opportunity is to help students complete their USC degree.

SPECIAL CIRCUMSTANCES:
• Scholars and Fellows who do not meet the academic eligibility requirements may still apply for Summer Tuition. This funding is intended to provide Scholars/Fellows the opportunity to graduate within the allotted scholarship terms at the University. To apply, use the Summer Tuition Application, and add an explanation of your special circumstances to your personal statement.
• Be detailed and compelling in your Personal Statement. Summer Tuition Grants are extremely competitive.
• Summer Tuition applications are reviewed by the Executive Committee of the Governing Board.

WHEN TO APPLY:
• Completed Summer Tuition applications must be submitted via the online database by March 5, 2021 by 5pm. Late or incomplete applications will not be accepted, no exceptions.
• Students should also submit a copy of their course plan to the NTSAF office for review (Obtain this from your academic advisor).

ALLOWABLE EXPENSES:
• The maximum amount of extra units to be funded under this policy is four (4) USC tuition units. Funding is available only for USC academic courses required for the student’s degree (major, minor, or general requirements).
SELECTION CRITERIA:
Applicants are evaluated on the following criteria:
- Degree to which they meet the purpose of funding
- Compelling and thorough Statement of Purpose
- Validity of Academic Certification (you must provide your course plan for review)

Priority will be given in the following order:
- Proximity to completion of degree
- First-time applicants
